the becturer commenced by anying that he during their long nights of suffering with the sudered it the privilege of the restrum that most ardent longings. It was their cloud in swher may represent his subject in the light their dismal days of exile and their pillar of speaker may represent his subject in the light he views it, regardless of the opinions of fear during their long nights of affliction others. The subject to had chosen we must but in proportion as their antiferings diministing real interest. The Jews and their history od this dogma lost most of its charms, and the form an important chapter in the history of nagiona. The New Testament may be considered only a continuation of the Old Testament, and as neither the Old nor the New Test ed in a belief of a personal. Messish, and as resmeat, each for itself, but only both in their turn to and a restriction in. Palestine, but has onnection, form what we call the Bible, so is been changed into a belief of a moral Messiah Christianity alone not fully Christianity with-put its postulate Judaism. In the Bible the lews are called a "chosen people." But, howver pleasing this may have been to them, and ver proud they may have been of this old selsim any pre-eminence over, or pre-se other toonies on its account. The reuse for, other peoples on its account nodern Jews are not the narrow-minded fanties the old Israelites were, but are enlighten progressing with, the spirit of the nineteenth ntury. But it is true that adversity is a cons ut to much instruction in that effective shool not to have learned how noticious at and their history so exceptional that I, in truth, though in another than the Bible sense may say that the Jews are a chosen people, or at least, they have been so too much and to liften, during the last 2,000 years, to their own errow and affliction.

Jows, but for all creeds and all races.
